

Oaks Burning (Pty) Ltd

(Registration Number 2024/435037/07)

Annual Financial Statements for the year ended 28 February 2025

Directors' Responsibilities and Approval

The directors are required by the Companies Act of South Africa to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. These annual financial statements have been prepared in accordance with the IFRS for SMEs[®] Accounting Standard as issued by the International Accounting Standards Board (IASB[®]) and it is their responsibility to ensure that the annual financial statements satisfy the financial reporting standards with regards to form and content and present fairly the statement of financial position, results of operations and business of the company, and explain the transactions and financial position of the business of the company at the end of the financial year. The annual financial statements are based upon appropriate accounting policies consistently applied throughout the company and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the directors set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach.

The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss. The going-concern basis has been adopted in preparing the financial statements. Based on forecasts and available cash resources the directors have no reason to believe that the company will not be a going concern in the foreseeable future. The annual financial statements support the viability of the company.

The compilers are responsible for reporting on the company's financial statements. The compilation report is presented on page 6.

The financial statements set out on pages 7 to 13, and the supplementary information set out on page 14 which have been prepared on the going concern basis, were approved by the directors and were signed on 26 February 2026 on their behalf by:
