## 3. SHEQ POLICY

Vision Elevators, a company that manufactures, installs, maintains and modernizes various vertical transportation products including Elevators, Escalators, Platform Lifts, Goods Hoists and Dumbwaiters as well as equipment for Disabled Access.

Vision Elevators will identify health and safety hazards in order to reduce risk to employees or other persons associated with all our business activities.

Our Aim is to:

- To ensure compliance with local, national and international laws, regulations and standards applicable to its business.
- Focus on value to the customer in terms of service, quality, speed and price.
- Reduce internal and external failures.
- Optimize production processes.
- To communicate awareness towards the achievement of company objectives for Health, Safety, Environmental & Quality.
- Prevention of pollution.
- Partner with our suppliers to ensure customer satisfaction.
- Reduction of the impact of activities on the environment.
- To review Health & Safety targets annually to ensure appropriateness and enable continuous improvement.
- To document, implement and maintain this policy & ensure that it is communicated to all employees with the intent that employees are made aware of the individual Health & Safety responsibilities.
- Prevent injury and ill health.
